## Certificate of Analysis

Date of Testing: 2025-03-08 14:46:13

Date of Next Testing: 2029-03-07 14:46:13

Product Name: **2-Aminopyridine-3-methanol**

CAS Number: 23612-57-9

Specifications & Purity:  $\geq 98\%$

Lot #: C2506467

SKU #: **A119400**

Version: **0**

Analysis #: **372484**

Storage Temperature: Room temperature, Argon charged

| Parameter                    | Limit Values                                                       | Result                                                             |
|------------------------------|--------------------------------------------------------------------|--------------------------------------------------------------------|
| Purity(GC)                   | 98-100 (%)                                                         | 98.19600 %                                                         |
| Purity(Nonaqueous Titration) | 97.5-102.5 (%)                                                     | 100.86000 %                                                        |
| Melting point                | 65-70 (°C)                                                         | 65.48000 °C                                                        |
