## Certificate of Analysis

|                          |                                                    |
|--------------------------|----------------------------------------------------|
| Date of Testing:         | 2026-09-15 11:08:11                                |
| Date of Next Testing:    | 2027-09-15 11:08:11                                |
| Product Name:            | <b>Ammonia Solution (0.1%)</b>                     |
| CAS Number:              | 1336-21-6                                          |
| Specifications & Purity: | BioReagent, for microscopy, Biological Stain, 0.1% |
| Lot #:                   | ZJ26F0939250                                       |
| SKU #                    | <b>A1507829</b>                                    |
| Version:                 | <b>1</b>                                           |
| Analysis #:              | 041545                                             |

| Parameter                | Limit Value                                                     | Result                                                          |
|--------------------------|-----------------------------------------------------------------|-----------------------------------------------------------------|
| Appearance(A1507829)     | Colorless transparent liquid with a unique odor and no sediment | Colorless transparent liquid with a unique odor and no sediment |
| Seal Integrity Testing   | Conform                                                         | Conform                                                         |
| Density: 0.97~1.03(g/mL) | Conform                                                         | Conform                                                         |
