## Certificate of Analysis

Date of Testing: 2025-12-29 16:05:39

Date of Next Testing: 2027-12-29 16:05:39

Product Name: **Acidic Ethanol Differentiation Solution (0.3%)**

CAS Number:

Specifications &amp; Purity: BioReagent, for microscopy, Biological Stain, 0.3%

Lot #: ZJ25F1230660

SKU #: **A1507831**

Version: **1**

Analysis #: 027838

| Parameter                | Limit Value                                                      | Result                                                           |
|--------------------------|------------------------------------------------------------------|------------------------------------------------------------------|
| Appearance(A1507831)     | Colorless transparent liquid with alcoholic odor and no sediment | Colorless transparent liquid with alcoholic odor and no sediment |
| Seal Integrity Testing   | Conform                                                          | Conform                                                          |
| Density: 0.80~0.95(g/mL) | Conform                                                          | Conform                                                          |
