## Certificate of Analysis

Date of Testing: 2026-03-26 16:27:53

Date of Next Testing: 2027-03-26 16:27:53

Product Name: **Artificial Gastric Fluid (USP, Enzyme-free, Sterile)**

CAS Number:

Specifications &amp; Purity:

Lot #: ZJ26F0333500

SKU #: **A1509638**

Version: **1**

Analysis #: 030434

| Parameter                 | Limit Value                                     | Result                                          |
|---------------------------|-------------------------------------------------|-------------------------------------------------|
| Appearance(A1509638)      | Colorless transparent solution with no sediment | Colorless transparent solution with no sediment |
| Odor                      | No odor                                         | No odor                                         |
| Seal Integrity Testing    | Conform                                         | Conform                                         |
| Net Content: 500~520 (ml) | Conform                                         | Conform                                         |
| Density: 0.98~1.03(g/mL)  | Conform                                         | Conform                                         |
| pH value: 0.9~1.5         | Conform                                         | Conform                                         |
