## Certificate of Analysis

Date of Testing: 2026-03-13 17:09:51

Date of Next Testing: 2027-03-13 17:09:51

Product Name: **Artificial Gastric Fluid (ChP, Enzyme-free)**

CAS Number:

Specifications &amp; Purity: BioReagent, Protease Free

Lot #: ZJ26F0332931

SKU #: **A1509641**

Version: **1**

Analysis #: 030437

| Parameter                 | Limit Value                                     | Result                                          |
|---------------------------|-------------------------------------------------|-------------------------------------------------|
| Appearance(A1509641)      | Colorless transparent solution with no sediment | Colorless transparent solution with no sediment |
| Odor                      | No odor                                         | No odor                                         |
| Seal Integrity Testing    | Conform                                         | Conform                                         |
| Net Content: 500~520 (ml) | Conform                                         | Conform                                         |
| Density: 0.97~1.03(g/mL)  | Conform                                         | Conform                                         |
| pH value: 1.3~2.3         | Conform                                         | Conform                                         |
