## Certificate of Analysis

Date of Testing: 2026-07-30 15:02:56

Date of Next Testing: 2027-07-30 15:02:56

Product Name: **Alkyne Protein Labeling Kit (100µg scale)**

CAS Number:

Specifications &amp; Purity: BioReagent

Lot #: ZJ26F0737895

SKU #: **A1510882**

Version: **1**

Analysis #: 039884

| Parameter                          | Limit Value                                                         | Result                                                              |
|------------------------------------|---------------------------------------------------------------------|---------------------------------------------------------------------|
| Appearance (A1510882A)             | White to Light Yellow to Brown powder or solid or liquid            | White to Light Yellow to Brown powder or solid or liquid            |
| Appearance (A1510882B)             | Colorless Liquid                                                    | colorless liquid                                                    |
| Appearance (A1510882C)             | Spherical, white to off-white bead slurry, free of foreign material | Spherical, white to off-white bead slurry, free of foreign material |
| Seal Integrity Testing (A1510882C) | Conform                                                             | Conform                                                             |
| Appearance (A1510882D)             | Clear,smooth and clean                                              | Clear,smooth and clean                                              |
| Flow Cytometry                     | Conform                                                             | Conform                                                             |
