| Product Name:         | Recombinant GABARAP Antibody                                              |
| Lot #:                | ZJ26F0635983                                                              |
| SKU #:                | Ab104437                                                                  |
| Version:              | 1                                                                         |
| Analysis #:           | 032322                                                                    |
| Clone ID:             |                                                                           |
| Isotype:              | Rabbit IgG                                                                |
| Source:               | 293 supernatant                                                           |
| Formulation:          | Liquid                                                                    |
| Concentration:        | 0.33 mg/mL                                                                |
| Buffer Solution:      | 10mM PBS, 150mM NaCl, 50% Glycerol, 0.05% BSA, 0.02% Sodium azide, pH 7.4 |
| Storage Conditions:   | Store at -20°C, Avoid repeated freeze-thaw cycles                         |
| Analysis:             | 032322                                                                    |

| Parameter               | Limit Value       | Result            |
|-------------------------|-------------------|-------------------|
| Target band MW in WB    | 13.6-20.4(kD)     | 17.00000 kD       |
| Appearance(Ab104437)    | Colourless liquid | Colourless liquid |
| Non-specific band in WB | Conform           | Conform           |
