| Date of Testing:      | 2025-06-24 13:28:46                                               |
| Date of Next Testing: | 2027-06-24 13:28:46                                               |
| Product Name:         | Recombinant PCNA Antibody                                         |
| Lot #:                | ZJ26F0636223                                                      |
| SKU #:                | Ab120681                                                          |
| Version:              | 1                                                                 |
| Analysis #:           | 019372                                                            |
| Clone ID:             | RR704                                                             |
| Isotype:              | Rabbit IgG                                                        |
| Source:               | CHO supernatant                                                   |
| Formulation:          | Liquid                                                            |
| Concentration:        | 0.5 mg/mL                                                         |
| Buffer Solution:      | 59% 10mM PBS, 40% Glycerol, 0.05% BSA, 0.01% Sodium azide, pH 7.3 |
| Storage Conditions:   | Store at -20°C, Avoid repeated freeze-thaw cycles                 |
| Analysis:             | 019372                                                            |

| Parameter               | Limit Value       | Result            |
|-------------------------|-------------------|-------------------|
| Target band MW in WB    | 26.1-31.9(kD)     | 31.30000 kD       |
| Appearance(Ab120681)    | Colourless liquid | Colourless liquid |
| Non-specific band in WB | Conform           | Conform           |
| Flow Cytometry          | Conform           | Conform           |
| IF                      | Conform           | Conform           |
| IP                      | Conform           | Conform           |
