| Analysis #:           | 021891                                                                    |
| Clone ID:             |                                                                           |
| Isotype:              | Human IgG1                                                                |
| Source:               | CHO supernatant                                                           |
| Formulation:          | Liquid                                                                    |
| Concentration:        | 3.9mg/mL                                                                  |
| Buffer Solution:      | Supplied as a 0.22 µm filtered solution in 100mM Pro-Ac, 20mM Arg, pH 5.0 |
| Storage Conditions:   | Store at -80°C, Avoid repeated freezing and thawing                       |
| Analysis:             | 021891                                                                    |
