| Product Name:         | PD1 Mouse mAb (APC)                                           |
| Lot #:                | ZJ24R0600666                                                  |
| SKU #:                | Ab178780                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 005961                                                        |
| Clone ID:             | EH12.2H7                                                      |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | Ascitic fluid                                                 |
| Formulation:          | Liquid                                                        |
| Concentration:        | 1.0 mg/mL 0.2µg/test                                          |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C, Do Not Freeze           |
| Analysis:             | 005961                                                        |
