| Product Name:         | CD56 Mouse mAb (Biotin)                                       |
| Lot #:                | ZJ24F0102535                                                  |
| SKU #:                | Ab179741                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 021445                                                        |
| Clone ID:             | NCAM16.2                                                      |
| Isotype:              | Mouse IgG2b                                                   |
| Source:               | Ascitic fluid                                                 |
| Formulation:          | Liquid                                                        |
| Concentration:        | 1.0mg/mL                                                      |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Store at 2-8°C, Protected from light, Do not freeze           |
| Analysis:             | 021445                                                        |

| Parameter             | Limit Value       | Result            |
|-----------------------|-------------------|-------------------|
| Appearance(Ab179741Z) | Colourless liquid | Colourless liquid |
| Flow Cytometry        | Conform           | Conform           |
