| Product Name:         | PD-L1 Rat mAb (PE)                                            |
| Lot #:                | ZJ24F0910647                                                  |
| SKU #:                | Ab181115                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 033545                                                        |
| Clone ID:             | 10F.9G2                                                       |
| Isotype:              | Rat IgG2b                                                     |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 5µL/test                                                      |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 033545                                                        |

| Parameter            | Limit Value       | Result            |
|----------------------|-------------------|-------------------|
| Appearance(Ab181115) | Light pink liquid | Light pink liquid |
| Flow Cytometry       | Conform           | Conform           |
