| Product Name:         | CD19 Mouse mAb (FITC)                                         |
| Lot #:                | ZJ24F0506295                                                  |
| SKU #:                | Ab181974                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 027608                                                        |
| Clone ID:             | CB19                                                          |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | Ascitic fluid                                                 |
| Formulation:          | Liquid                                                        |
| Concentration:        | 5 µL/test                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Store at 2-8°C. Do Not Freeze                                 |
| Analysis:             | 027608                                                        |

| Parameter             | Limit Value                       | Result                            |
|-----------------------|-----------------------------------|-----------------------------------|
| Appearance(Ab181974Z) | Colourless to light yellow liquid | Colourless to light yellow liquid |
| Flow Cytometry        | Conform                           | Conform                           |
