| Product Name:         | Odesivimab (anti-EBOV)                                                   |
| Lot #:                | ZJ24F0606384                                                             |
| SKU #:                | Ab182855                                                                 |
| Version:              | 1                                                                        |
| Analysis #:           | 031936                                                                   |
| Clone ID:             |                                                                          |
| Isotype:              | Human IgG1                                                               |
| Source:               | CHO supernatant                                                          |
| Formulation:          | Liquid                                                                   |
| Concentration:        | 9.31mg/mL                                                                |
| Buffer Solution:      | Supplied as a 0.22µm filtered solution in 100mM Pro-Ac, 20mM Arg, pH 5.0 |
| Storage Conditions:   | Store at -80°C, Avoid repeated freezing and thawing                      |
| Analysis:             | 031936                                                                   |

| Parameter                 | Limit Value       | Result            |
|---------------------------|-------------------|-------------------|
| Molecular Weight          | 135-185(kD)       | 170.00000 kD      |
| Purity(SDS-PAGE)          | 95-100(%)         | 99.00000 %        |
| Purity (SEC)              | 95-100(%)         | 100.00000 %       |
| Appearance(Ab182855)      | Colourless liquid | Colourless liquid |
| Endotoxin Level <1 EU/mg  | Conform           | Conform           |
| Zaire Ebola virus binding | Conform           | Conform           |
