| Product Name:         | CD278/ICOS Armenian Hamster mAb (FITC)                        |
| Lot #:                | ZJ24F1012390                                                  |
| SKU #:                | Ab185168                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 035681                                                        |
| Clone ID:             | C398.4A                                                       |
| Isotype:              | Armenian Hamster IgG                                          |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 035681                                                        |

| Parameter            | Limit Value   | Result        |
|----------------------|---------------|---------------|
| Appearance(Ab185168) | Yellow liquid | Yellow liquid |
| Flow Cytometry       | Conform       | Conform       |
