| Product Name:         | CD35 Mouse mAb (APC)                                          |
| Lot #:                | ZJ24R0800922                                                  |
| SKU #:                | Ab185373                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 007762                                                        |
| Clone ID:             | E11                                                           |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | Ascitic fluid                                                 |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL 0.0125µg/test                                       |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C, Do Not Freeze           |
| Analysis:             | 007762                                                        |

| Parameter             | Limit Value                     | Result                          |
|-----------------------|---------------------------------|---------------------------------|
| Appearance(Ab185373Z) | Colourless to light blue liquid | Colourless to light blue liquid |
| Flow                  | Conform                         | Conform                         |
