| Product Name:         | CD272/BTLA Mouse mAb (PE)                                     |
| Lot #:                | ZJ24F1113399                                                  |
| SKU #:                | Ab189648                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 036166                                                        |
| Clone ID:             | 8F4                                                           |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 036166                                                        |

| Parameter             | Limit Value | Result      |
|-----------------------|-------------|-------------|
| Appearance(Ab189648Z) | Pink liquid | Pink Liquid |
| Flow Cytometry        | Conform     | Conform     |
