| Date of Next Testing: | 2027-04-07 14:39:21                                           |
| Product Name:         | I-A/I-E Rat mAb (APC)                                         |
| Lot #:                | ZJ24F0910488                                                  |
| SKU #:                | Ab190261                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 033473                                                        |
| Clone ID:             | M5/114                                                        |
| Isotype:              | Rat IgG2b                                                     |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 033473                                                        |

| Parameter             | Limit Value | Result      |
|-----------------------|-------------|-------------|
| Appearance(Ab190261Z) | Blue liquid | Blue liquid |
| Flow Cytometry        | Conform     | Conform     |
