| Product Name:         | CD8 alpha Mouse mAb (FITC)                                    |
| Lot #:                | ZJ24F1114472                                                  |
| SKU #:                | Ab190485                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 037287                                                        |
| Clone ID:             | OKT-8                                                         |
| Isotype:              | Mouse IgG2a                                                   |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 5 µL/test                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 037287                                                        |

| Parameter             | Limit Value                       | Result                            |
|-----------------------|-----------------------------------|-----------------------------------|
| Appearance(Ab190485Z) | Colourless to light yellow liquid | Colourless to light yellow liquid |
| Flow Cytometry        | Conform                           | Conform                           |
