| Product Name:         | CD11b Mouse mAb (Biotin)                                      |
| Lot #:                | ZJ24F1113402                                                  |
| SKU #:                | Ab191614                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 036167                                                        |
| Clone ID:             | [M1/70]                                                       |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 036167                                                        |

| Parameter             | Limit Value       | Result            |
|-----------------------|-------------------|-------------------|
| Appearance(Ab191614Z) | Colourless liquid | Colourless liquid |
| Flow Cytometry        | Conform           | Conform           |
