| Product Name:         | TCR V $\gamma$ 1.1/Cr4 Armenian hamster mAb (PE)              |
| Lot #:                | ZJ24F1216265                                                  |
| SKU #:                | Ab191734                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 038814                                                        |
| Clone ID:             | 2.11                                                          |
| Isotype:              | Armenian Hamster IgG                                          |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 038814                                                        |

| Parameter            | Limit Value | Result      |
|----------------------|-------------|-------------|
| Appearance(Ab191734) | Pink liquid | Pink Liquid |
| Flow Cytometry       | Conform     | Conform     |
