| Product Name:         | EpCAM/CD326 Rat mAb (AF700)                                   |
| Lot #:                | ZJ24F1114493                                                  |
| SKU #:                | Ab191763                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 037306                                                        |
| Clone ID:             | G8.8                                                          |
| Isotype:              | Rat IgG2a                                                     |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 037306                                                        |

| Parameter             | Limit Value | Result      |
|-----------------------|-------------|-------------|
| Appearance(Ab191763Z) | Blue liquid | Blue liquid |
| Flow Cytometry        | Conform     | Conform     |
