| Date of Next Testing: | 2027-07-10 14:23:22                                           |
| Product Name:         | Thy1.1/CD90.1 Mouse mAb (AF647)                               |
| Lot #:                | ZJ24F1216382                                                  |
| SKU #:                | Ab212909                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 038840                                                        |
| Clone ID:             | OX-7                                                          |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | Hybridoma supernatant                                         |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 038840                                                        |

| Parameter            | Limit Value | Result      |
|----------------------|-------------|-------------|
| Appearance(Ab212909) | Blue liquid | Blue liquid |
| Flow Cytometry       | Conform     | Conform     |
