| Product Name:         | Recombinant CD4 Antibody (PE-Cy7)                             |
| Lot #:                | ZJ25F0218163                                                  |
| SKU #:                | Ab213138                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 027845                                                        |
| Clone ID:             | P90F08                                                        |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 5 µL/test                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 027845                                                        |

| Parameter            | Limit Value                       | Result                            |
|----------------------|-----------------------------------|-----------------------------------|
| Appearance(Ab213138) | Colourless to light purple liquid | Colourless to light purple liquid |
| Flow Cytometry       | Conform                           | Conform                           |
