| Product Name:         | Recombinant CD81/TAPA-1 Antibody (AF488)                      |
| Lot #:                | ZJ25F1028214                                                  |
| SKU #:                | Ab213875                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 038351                                                        |
| Clone ID:             | P30F09                                                        |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 5 µL/test                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 038351                                                        |

| Parameter            | Limit Value                       | Result                            |
|----------------------|-----------------------------------|-----------------------------------|
| Appearance(Ab213875) | Colourless to light yellow liquid | Colourless to light yellow liquid |
| Flow Cytometry       | Conform                           | Conform                           |
