| Date of Next Testing: | 2027-07-12 14:48:46                                           |
| Product Name:         | Recombinant Ly76/TER-119 Antibody (AF594)                     |
| Lot #:                | ZJ25F0927584                                                  |
| SKU #:                | Ab216145                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 038282                                                        |
| Clone ID:             | P21F50                                                        |
| Isotype:              | Rat IgG2b                                                     |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 038282                                                        |

| Parameter            | Limit Value   | Result        |
|----------------------|---------------|---------------|
| Appearance(Ab216145) | Purple liquid | Purple liquid |
| Flow Cytometry       | Conform       | Conform       |
