| Product Name:         | Lamin A/C Mouse mAb (AF488)                                                 |
| Lot #:                | ZJ25F0926830                                                                |
| SKU #:                | Ab219214                                                                    |
| Version:              | 1                                                                           |
| Analysis #:           | 037069                                                                      |
| Clone ID:             | AB07/4G6                                                                    |
| Isotype:              | Mouse IgG2b                                                                 |
| Source:               | Hybridoma supernatant                                                       |
| Formulation:          | Liquid                                                                      |
| Concentration:        | 0.5 mg/mL                                                                   |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 50% glycerol, 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Store at -20°C, Protected from light, Avoid repeated freeze-thaw cycles     |
| Analysis:             | 037069                                                                      |

| Parameter             | Limit Value   | Result        |
