| Product Name:         | alpha-Smooth Muscle Actin Mouse mAb (Cy3)                                   |
| Lot #:                | ZJ25F0826151                                                                |
| SKU #:                | Ab219223                                                                    |
| Version:              | 1                                                                           |
| Analysis #:           | 037526                                                                      |
| Clone ID:             | IJ07/4C7                                                                    |
| Isotype:              | Mouse IgG2a                                                                 |
| Source:               | Hybridoma supernatant                                                       |
| Formulation:          | Liquid                                                                      |
| Concentration:        | 0.5 mg/mL                                                                   |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 50% glycerol, 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Store at -20°C, Protected from light, Avoid repeated freeze-thaw cycles     |
| Analysis:             | 037526                                                                      |

| Parameter             | Limit Value | Result      |
|-----------------------|-------------|-------------|
| Appearance(Ab219223Z) | Pink liquid | Pink Liquid |
| Flow Cytometry        | Conform     | Conform     |
