| Product Name:         | Recombinant Ly6g Antibody (AF660)                             |
| Lot #:                | ZJ26F0333304                                                  |
| SKU #:                | Ab223808                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 028865                                                        |
| Clone ID:             | P29A43                                                        |
| Isotype:              | Rat IgG2a                                                     |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Store at 2-8°C, Protected from light, Do not freeze           |
| Analysis:             | 028865                                                        |

| Parameter            | Limit Value | Result      |
|----------------------|-------------|-------------|
| Appearance(Ab223808) | Blue liquid | Blue liquid |
| Flow Cytometry       | Conform     | Conform     |
