| Date of Next Testing: | 2027-07-12 19:31:53                                           |
| Product Name:         | Recombinant CD15/SSEA-1 Antibody (Biotin)                     |
| Lot #:                | ZJ25F0927461                                                  |
| SKU #:                | Ab223934                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 038244                                                        |
| Clone ID:             | P52C45                                                        |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5mg/mL                                                      |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 038244                                                        |

| Parameter            | Limit Value      | Result           |
|----------------------|------------------|------------------|
| Appearance(Ab223934) | Colorless liquid | colorless liquid |
| Flow Cytometry       | Conform          | Conform          |
