| Product Name:         | Rat IgG1-kappa (AF555)                                        |
| Lot #:                | ZJ25F0927042                                                  |
| SKU #:                | Ab225898                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 039206                                                        |
| Clone ID:             | HRPN                                                          |
| Isotype:              | Rat IgG1                                                      |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 039206                                                        |

| Parameter             | Limit Value | Result      |
|-----------------------|-------------|-------------|
| Appearance(Ab225898Z) | Pink liquid | Pink Liquid |
| Flow Cytometry        | Conform     | Conform     |
