| Date of Next Testing: | 2027-02-26 15:05:25                                           |
| Product Name:         | Recombinant IL-2 Receptor alpha/CD25 Antibody (AF594)         |
| Lot #:                | ZJ26F0232210                                                  |
| SKU #:                | Ab229401                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 028371                                                        |
| Clone ID:             | P97D04                                                        |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 5 µL/test                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Store at 2-8°C, Protected from light, Do not freeze           |
| Analysis:             | 028371                                                        |

| Parameter            | Limit Value                      | Result                           |
|----------------------|----------------------------------|----------------------------------|
| Appearance(Ab229401) | Colorless to light purple liquid | Colorless to light purple liquid |
| Flow Cytometry       | Conform                          | Conform                          |
