| Date of Next Testing: | 2027-02-10 16:31:31                                           |
| Product Name:         | Recombinant CD8 Antibody (AF750)                              |
| Lot #:                | ZJ26F0232007                                                  |
| SKU #:                | Ab230539                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 028350                                                        |
| Clone ID:             | P93A01                                                        |
| Isotype:              | Mouse IgG1                                                    |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 5 µL/test                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 028350                                                        |

| Parameter            | Limit Value                   | Result                         |
|----------------------|-------------------------------|--------------------------------|
| Appearance(Ab230539) | Colorless to light blue liqui | Colorless to light blue liquid |
| Flow Cytometry       | Conform                       | Conform                        |
