| Product Name:         | Recombinant CD3 Antibody (PerCP-Cy5.5)                        |
| Lot #:                | ZJ26F0636443                                                  |
| SKU #:                | Ab230568                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 035534                                                        |
| Clone ID:             | P55B16                                                        |
| Isotype:              | Mouse IgG2a                                                   |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 1 µL/test                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 035534                                                        |

| Parameter            | Limit Value  | Result       |
|----------------------|--------------|--------------|
| Appearance(Ab230568) | Brown liquid | Brown liquid |
| Flow Cytometry       | Conform      | Conform      |
