| Date of Testing:      | 2026-02-25 14:54:06                                 |
| Date of Next Testing: | 2027-02-25 14:54:06                                 |
| Product Name:         | Recombinant CD5 Antibody (PE-Cy7)                   |
| Lot #:                | ZJ26F0232148                                        |
| SKU #:                | Ab231923                                            |
| Version:              | 1                                                   |
| Analysis #:           | 028363                                              |
| Clone ID:             | P27B11                                              |
| Isotype:              | Rat IgG2a                                           |
| Source:               | CHO supernatant                                     |
| Formulation:          | Liquid                                              |
| Concentration:        | 0.5 mg/mL                                           |
| Buffer Solution:      | PBS, pH 7.4                                         |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze |
| Analysis:             | 028363                                              |

| Parameter            | Limit Value   | Result        |
|----------------------|---------------|---------------|
| Appearance(Ab231923) | Purple liquid | Purple liquid |
| Flow Cytometry       | Conform       | Conform       |
