| Product Name:         | Recombinant CD19 Antibody (PE-Cy5)                            |
| Lot #:                | ZJ26F0332617                                                  |
| SKU #:                | Ab302117                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 028523                                                        |
| Clone ID:             | P99G09                                                        |
| Isotype:              | Rat IgG2a                                                     |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 028523                                                        |

| Parameter            | Limit Value   | Result        |
|----------------------|---------------|---------------|
| Appearance(Ab302117) | Purple liquid | Purple liquid |
| Flow Cytometry       | Conform       | Conform       |
