| Product Name:         | Recombinant CD36 Antibody (Biotin)                            |
| Lot #:                | ZJ26F0332828                                                  |
| SKU #:                | Ab303847                                                      |
| Version:              | 1                                                             |
| Analysis #:           | 028516                                                        |
| Clone ID:             | P19E28                                                        |
| Isotype:              | Mouse IgG2a                                                   |
| Source:               | CHO supernatant                                               |
| Formulation:          | Liquid                                                        |
| Concentration:        | 0.5 mg/mL                                                     |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300. |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze           |
| Analysis:             | 028516                                                        |

| Parameter            | Limit Value      | Result           |
|----------------------|------------------|------------------|
| Appearance(Ab303847) | Colorless liquid | colorless liquid |
| Flow Cytometry       | Conform          | Conform          |
