| Date of Next Testing: | 2027-06-16 15:18:22                                          |
| Product Name:         | Recombinant Ly-6A/E(Sca-1) Antibody (AF555)                  |
| Lot #:                | ZJ26F0636498                                                 |
| SKU #:                | Ab303902                                                     |
| Version:              | 1                                                            |
| Analysis #:           | 035657                                                       |
| Clone ID:             | P37A40                                                       |
| Isotype:              | Rat IgG2a                                                    |
| Source:               | Hybridoma supernatant                                        |
| Formulation:          | Liquid                                                       |
| Concentration:        | 0.5 mg/mL                                                    |
| Buffer Solution:      | Liquid in PBS pH 7.4, containing 1% BSA and 0.05% Proclin300 |
| Storage Conditions:   | Protected from light, Store at 2-8°C. Do Not Freeze          |
| Analysis:             | 035657                                                       |

| Parameter            | Limit Value | Result      |
|----------------------|-------------|-------------|
| Appearance(Ab303902) | Pink liquid | Pink Liquid |
| Flow Cytometry       | Conform     | Conform     |
