| Date of Next Testing: | 2027-08-18 16:33:47                               |
| Product Name:         | Calretinin Mouse mAb                              |
| Lot #:                | ZJ26F0838420                                      |
| SKU #:                | Ab340078                                          |
| Version:              | 1                                                 |
| Analysis #:           | 040549                                            |
| Clone ID:             | KAA343_8F8                                        |
| Isotype:              | Mouse IgG                                         |
| Source:               | Hybridoma supernatant                             |
| Formulation:          | Liquid                                            |
| Concentration:        | 1.0 mg/mL                                         |
| Buffer Solution:      | PBS, pH 7.4                                       |
| Storage Conditions:   | Store at -20°C, Avoid repeated freeze-thaw cycles |
| Analysis:             | 040549                                            |

| Parameter               | Limit Value       | Result            |
|-------------------------|-------------------|-------------------|
| Target band MW in WB    | 26-32(kD)         | 29.00000 kD       |
| Appearance(Ab340078)    | Colourless liquid | Colourless liquid |
| Non-specific band in WB | Conform           | Conform           |
| IHC                     | Conform           | Conform           |
| IP                      | Conform           | Conform           |
