## Certificate of Analysis

Date of Testing: 2024-05-25 16:53:21

Date of Next Testing: 2026-05-15 16:53:21

Product Name: **1,3,5-Benzenetricarbonyl trichloride**

CAS Number: 4422-95-1

Specifications & Purity:  $\geq 98\%$

Lot #: E2423169

SKU #: **B102689**

Version: **0**

Analysis #: **356013**

Storage Temperature: Store at 2-8°C, Argon charged

| Parameter                                                                          | Limit Values                                     | Result                                           |
|------------------------------------------------------------------------------------|--------------------------------------------------|--------------------------------------------------|
| Melting point                                                                      | 32-38 (°C)                                       | 36.22000 °C                                      |
| Purity (Argentmetric Titration)                                                    | 97.5-102.5 (%)                                   | 99.78000 %                                       |
| Purity(GC)                                                                         | 98-100 (%)                                       | 99.04300 %                                       |
