## Certificate of Analysis

Date of Testing: 2025-12-12 13:43:25

Date of Next Testing: 2029-12-11 13:43:25

Product Name: **Bis(4-hydroxyphenyl) Disulfide**

CAS Number: 15015-57-3

Specifications & Purity:  $\geq 98\%$

Lot #: B2223199

SKU #: **B152486**

Version: **2**

Analysis #: **619350**

| Parameter            | Limit Values                                                             | Result                                                                   |
|----------------------|--------------------------------------------------------------------------|--------------------------------------------------------------------------|
| Melting point        | 150-154 (°C)                                                             | 150.00510 °C                                                             |
| Purity(HPLC)         | 98-100 (%)                                                               | 99.94000 %                                                               |
| Appearance (B152486) | White to light yellow to yellow-green to gray powder or solid or crystal | White to light yellow to yellow-green to gray powder or solid or crystal |
| Proton NMR spectrum  | Conforms to Structure                                                    | Conforms to Structure                                                    |
