## Certificate of Analysis

Date of Testing: 2026-07-29 10:05:42

Date of Next Testing: 2027-07-29 10:05:42

Product Name: **Bacterial Preservation Solution**

CAS Number:

Specifications &amp; Purity: Sterile, BioReagent

Lot #: ZJ26F0737841

SKU #: **B777341**

Version: **1**

Analysis #: 038069

| Parameter                  | Limit Value                                      | Result                                           |
|----------------------------|--------------------------------------------------|--------------------------------------------------|
| Seal Integrity Testing     | Conform                                          | Conform                                          |
| Appearance(B777341)        | Colorless transparent solution, free of sediment | Colorless transparent solution, free of sediment |
| Odor                       | Odorless                                         | Odorless                                         |
| Density (1.03 - 1.09 g/mL) | Conform                                          | Conform                                          |
