## Certificate of Analysis

Date of Testing: 2026-06-05 14:39:20

Date of Next Testing: 2030-06-04 14:39:20

Product Name: **Carbazole**

CAS Number: 86-74-8

Specifications & Purity:  $\geq 96\%$ 

Lot #: E2626321

SKU #: **C104875**

Version: **0**

Analysis #: **718083**

Storage Temperature: Room temperature

| Parameter                                                                     | Limit Values                                         | Result                                               |
|-------------------------------------------------------------------------------|------------------------------------------------------|------------------------------------------------------|
| Nitrogen by Elemental Analysis                                                | 8.2-8.5 (%)                                          | 8.50000 %                                            |
| Purity(GC)                                                                    | 96-100 (%)                                           | 99.21500 %                                           |
| Carbon by Elemental Analysis                                                  | 84.5-87.9 (%)                                        | 85.00000 %                                           |
