## Certificate of Analysis

Date of Testing: 2026-01-30 15:58:22

Date of Next Testing: 2027-01-30 15:58:22

Product Name: **Chloroplatinic acid hexahydrate**

CAS Number: 18497-13-7

Specifications & Purity: ACS, Pt 37.5%

Lot #: A2626449

SKU #: **C120776**

Version: **0**

Analysis #: **640857**

Storage Temperature: Protected from light, Room temperature, Argon charged, Desiccated, Cool

| Parameter                      | Limit Values                                                 | Result                                                       |
|--------------------------------|--------------------------------------------------------------|--------------------------------------------------------------|
| Pt by ICP Atomic emission      | ≥37.5 (%)                                                    | 38.05000 %                                                   |
| Alkali and Other Salts         | 0-0.05 (%)                                                   | 0.03500 %                                                    |
| Solubility in EtOH             | pass                                                         | Pass                                                         |
| Appearance (C120776)           | Light red to Yellow to Red to Orange-brown powder to crystal | Light red to Yellow to Red to Orange-brown powder to crystal |
| Suitability For Potassium Dete | Pass                                                         | Pass                                                         |
