## Certificate of Analysis

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Date of Testing:         | 2025-07-16 13:26:19                                                         |
| Date of Next Testing:    | 2028-07-15 13:26:19                                                         |
| Product Name:            | <b>Cyclohexylmethylboronic acid (contains varying amounts of Anhydride)</b> |
| CAS Number:              | 27762-64-7                                                                  |
| Specifications & Purity: | ≥98%                                                                        |
| Lot #:                   | J2214737                                                                    |
| SKU #                    | <b>C335897</b>                                                              |
| Version                  | <b>1</b>                                                                    |
| Analysis #:              | <b>541116</b>                                                               |
| Storage Temperature:     | Store at 2-8°C                                                              |

| Parameter                  | Limit Values          | Result                |
|----------------------------|-----------------------|-----------------------|
| Purity (Titration by NaOH) | 98-110 (%)            | 109.87 %              |
| Proton NMR spectrum        | Conforms to Structure | Conforms to Structure |

A handwritten signature in black ink that reads "John Su".

John Su  
QA & QC Manager
