## Certificate of Analysis

Date of Testing: 2023-01-11 18:54:34

Date of Next Testing: 2027-01-10 18:54:34

Product Name: **Terephthalonitrile**

CAS Number: 623-26-7

Specifications & Purity:  $\geq 98\%$

Lot #: A2306351

SKU #: **D111053**

Version: **0**

Analysis #: **162009**

Storage Temperature: Room temperature

| Parameter                 | Limit Values                                        | Result                                              |
|---------------------------|-----------------------------------------------------|-----------------------------------------------------|
| Purity(HPLC)              | 98-100 (%)                                          | 98.74300 %                                          |
| Melting point             | 223-230 (°C)                                        | 224.06000 °C                                        |
| Appearance (D111053)      | White to Yellow and Beige Powder, Crystal or chunks | White to Yellow and Beige Powder, Crystal or chunks |
| Solubility in hot Toluene | almost transparency                                 | almost transparency                                 |
| Infrared spectrum         | Conforms to Structure                               | Conforms to Structure                               |
