| Date of Testing:         | 2026-03-12 16:37:13                                        |
| Date of Next Testing:    | 2027-03-12 16:37:13                                        |
| Product Name:            | <b>DAB Staining Solution (1.0 mg/mL, pH5.5, for plant)</b> |
| CAS Number:              |                                                            |
| Specifications & Purity: | BioReagent, Biological Stain, 1.0 mg/mL                    |
| Lot #:                   | ZJ26F0332972                                               |
| SKU #                    | <b>D1509202-CG100ml</b>                                    |
| Version:                 | <b>1</b>                                                   |
| Analysis #:              | 028838                                                     |

| Parameter                                                   | Limit Value | Result  |
|-------------------------------------------------------------|-------------|---------|
| Seal Integrity Testing                                      | Conform     | Conform |
| Component Volume Deviation $\leq 10\%$                      | Conform     | Conform |
| Positive Plant Tissue: Clear brown precipitate at POD sites | Conform     | Conform |
| Appearance (D1509202A)                                      | Powder      | Powder  |
| Appearance (D1509202B)                                      | Liquid      | Liquid  |
