## Certificate of Analysis

Date of Testing: 2026-06-17 11:08:04

Date of Next Testing: 2027-06-17 11:08:04

Product Name:

**dsDNA Neutralization Buffer**

CAS Number:

Specifications &amp; Purity:

BioReagent, Suitable for Molecular Biology, for DNA and RNA applications

Lot #:

ZJ26F0636558

SKU #

**D1518772**

Version:

**1**

Analysis #:

034528

| Parameter                | Limit Value                                      | Result                                           |
|--------------------------|--------------------------------------------------|--------------------------------------------------|
| Seal Integrity Testing   | Conform                                          | Conform                                          |
| Appearance(D1518772)     | Colorless transparent solution, free of sediment | Colorless transparent solution, free of sediment |
| Odor                     | Odorless                                         | Odorless                                         |
| Density (1.05-1.09 g/mL) | Conform                                          | Conform                                          |
| pH (7.0-7.6)             | Conform                                          | Conform                                          |
