## Certificate of Analysis

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| Date of Testing:         | 2024-12-16 10:48:08                                                                           |
| Date of Next Testing:    | 2028-12-15 10:48:08                                                                           |
| Product Name:            | 4-[(2',6'-Diisopropylphenoxy)methyl]phenylboronic acid(contains varying amounts of Anhydride) |
| CAS Number:              | 1072951-63-3                                                                                  |
| Specifications & Purity: | ≥95%                                                                                          |
| Lot #:                   | L2410195                                                                                      |
| SKU #                    | D165747                                                                                       |
| Version                  | 0                                                                                             |
| Analysis #:              | 027756                                                                                        |
| Storage Temperature:     | Room temperature                                                                              |

| Parameter           | Limit Values          | Result                |
|---------------------|-----------------------|-----------------------|
| Purity(HPLC)        | 95-100 (%)            | 97.89800 %            |
| Proton NMR spectrum | Conforms to Structure | Conforms to Structure |

A handwritten signature in black ink that reads "John Su".

John Su  
QA & QC Manager
