## Certificate of Analysis

Date of Testing: 2026-01-22 09:16:55

Date of Next Testing: 2029-01-21 09:16:55

Product Name: **dewaxing liquid**

CAS Number:

Specifications & Purity:

Lot #: A2620368

SKU #: **D292661**

Version **1**

Analysis #: **640231**

| Parameter                                                                                               | Limit Values                          | Result                                |
|---------------------------------------------------------------------------------------------------------|---------------------------------------|---------------------------------------|
| Appearance(D292661)                                                                                     | colorless transparent<br>clear liquid | Colorless transparent<br>clear liquid |
| Compatibility: No separation phenomenon after mixing with absolute ethanol 1: 1                         | Pass                                  | Pass                                  |
| Compatibility: No separation or precipitation after 50ml dewaxing solution was mixed with 0.5g paraffin | Pass                                  | Pass                                  |
